Faith Community UMC

JANUARY 2012

We did a great job picking out the tree for our sanctuary this year -- it received many compliments. The congregation thanks you all for tramping the fields and cutting it down. There are warm coats, hats and gloves underneath to share with some of our needier neighbors in the next few weeks.

Service Hours: Thursday dinners will change to ONCE A MONTH on the last Thursday (1/26/12) so we will cook on the preceding Saturday morning (1/21/12 at 9 am). Weekly opportunities to help in the used clothing shop or food pantry every Sat. 10-12. Be sure to let me know when you work so I can report hours to your schools. Kate Ehrenberg (443-630-9174 or kateehren@msn.com)

We begin to celebrate the season of Epiphany - associated with sudden realizations, light with the power to transform, and joy that God is revealed among us in unexpected places & people.

Youth Group for January will be SUNDAY, JANUARY 15th. We'll start with lunch after worship and include another session of our Faith Exploration Class for middle and high school students. We'll travel then to Patterson Park to skate at the DiPietro Family Skating Center, 200 Linwood Ave. (410-396-9392) from 3-5 pm - costs paid by Youth Group for youth participants. Other family members welcomed to come at their own cost. Join us for lunch and class or meet us at the rink, if you prefer. Members of the class are discussing various topics in Christianity with confirmation as church members offered this spring.

Christian Education begins at 9:30 am for middle & high school youth; participants can take turns going back upstairs with the younger children for Children's Church during worship.

SATURDAY COOKING

Math Tutoring continues on Wednesday evenings from 6 -7 PM in the Great Room -- middle and high school aged. Questions - check with Pastor Jackie.

We are ever growing in Christ, inviting each one to make a difference.
