Faith Community UMC

May 2010

MAY'S YOUTH GROUP was garden time. John had started some plants for us so we now have lettuce, squash, green peppers, new strawberries and more. Everything is thriving despite the rabbit population in Hamilton! There are tomato plants ready to go in for more good eating on Thursday nights this summer.

SERVICE LEARNING HOURS - a whopping 320 hours were logged and credited by more than 20 youth at Faith Community since September. The congregation and community thank you for participating in the neighborhood outreach activities!!

**SATURDAY
JUNE 12th
11 am - 2 pm**

CAR WASH

10-12 adults and youth will take part in a MISSION CAMP in West Virginia this summer between JULY 11-17. We will form two work teams to provide needed home repairs to two residents in the Berkley Springs area, staying at Camp Harmison, one of the United Methodist camp facilities. Expenses paid by Faith for attendees but we hope to raise money to buy some of the building supplies needed. Please join us on Saturday, June 12th, from 11 am to 2 pm to wash cars, sell lunch and support this mission activity. Ask all your families, friends and neighbors to bring their dirty cars - free will offering. Call Ms. Kate at 443-630-9174 with questions - please lend us some helping hands for this fund raiser and to have fun together. We are sorry more youth are unable to participate in the camp this year due to vacation timing but it could become a regular activity so dates will be available before summer plans are made.

We are a living faith community seeking to share the love of Christ.
